Lake Varese offers not only beautiful scenery but also ideal conditions for rowing: good climate and light wind and 8000 meters to row non-stop.

For many years now Canottieri Varese has been host to rowing teams from all over the world offering a range of services:

- . showers and changing facilities
- . gym with weights, ergometers and training pool
- . in and off - water pontoons
- . International "Albano" 2000 m, 8 lane course (available for at least 7 months a year)
- . boat storage
- . coaching boats available to hire

Additionally, thanks to our partners, Canottieri Varese can provide the following for guests:

- . hotel reservations with special rates
- . hire of rowing boats
- . organisation of transport to and from Malpensa and Linate airports
- . bike rental
